Band Budget for 2017-18 Approved by parents at 7:20pm

Danielle makes a budget proposal and over several meetings the EC reviews it.
\$600/Cost per marching student - Marching fees will raise to \$450 –Need fundraising for the rest.
We need to raise \$30,000 to make the entire band programs work- Fundraising.
We are fortunate Westview/Dr. Franco funds us for entrance fees & transportation-\$6000
We have a smaller deficit this year compared to last year.
We are spending \$70,000 this year on new uniforms so our reserves are lower.
Yearly we budget \$5000 for our future reserves - As we grow we can add more to the reserves.
With each program, we assume 80% of the fees are acquired.
10% of this is pulled for scholarships from marching, winter percussion & winter guard
This year we will have firm deadlines for contracts, hiring, parent volunteering and scholarships.
30% of students use school equipment & instruments- \$50 rental flat fee for summer & Fall
New line items for instrument rental/stick fees (summer and school year)
Requesting \$100 or 10 hours of volunteering for band programs

Next year's trip to Disneyland - Davey

April 12-15 -Quotes from two companies: Bob Rogers Travel and Group Travel Planners - Davey
Price is between \$1200-\$1400, depending airfare and number of students/adults
Both companies offer the same things: Airfare, breakfasts, lunches while in Disneyland,
performance for the marching band in a parade plus the clinic for both instrumentalists and
guard, hotel, Medieval Times. My preference is BOB ROGERS TRAVEL
Once school starts we will need to get a finalized number of students/chaperones attending
