Section 3: Transportation Release

There are some activities that the District will not be providing District Buses to and from events. This section is intended to advise parents and guardians of these circumstances and to have the parents/guardians release the District from all liabilities arising out of students being transported by ways other than a District Bus.

I acknowledge that I have reviewed the following:

- a) There may be times/occurrences in which my child will be transported by a privately owned transportation company such as rental automobiles, charter buses, commercial airlines, passenger trains, use public transportation such as Tri-Met or Max Light Rail
- b) I further agree to defend, release from liability and to indemnify and hold harmless the school district, sponsors, employees, school board members, volunteers, and agents from any and all claims and liabilities (including costs and attorney fees) arising out of or in any way connected to the transportation of my child. This Release and Indemnity Agreement includes claims based upon negligence.
- c) I further affirm that I have carefully read and understand this agreement and all of its terms. I understand that it is an AGREEMENT TO RELEASE AND INDEMNIFY which will prevent parents or guardians of my child or my child from recovering damages in any event of injury or death. I, nevertheless, enter into this Agreement freely and voluntarily and agree that it will be binding upon me, my heirs, assigns, and my legal representatives.
